# THAILAND

Thailand's distinctive culture stems from Indian and Chinese influences harmoniously blended by Thai eclecticism, rich ethnic diversity, abundant natural resources, and over seven hundred years of cherished independence. Thailand's traditional culture is delicately tuned to the time-honoured Buddhist's non-confrontational approach to life, and ideals of charity, tolerance, and loving-kindness. Take time to bargain at the local markets or cruise on a longtail boat down the Chao Phraya River. Venture off the beaten path into a world of culture-rich villages and experience Thailand through the eyes of a local.

## NORTHERN THAILAND

Cool off in the mountains of northern Thailand and meet the local ethnic minority hilltribes. Explore a unique white temple in Chiang Rai. Visit the Golden Triangle where the borders of Thailand, Laos, and Myanmar merge and opium warlords used to reign. Discover the heart of the Lanna kingdom in the chedi temples of Chiang Mai.

## CENTRAL THAILAND

The energetic capital of Bangkok is known throughout the world for riverside temples and never-ending nightlife. Its vibrant street food culture lets you indulge in local favourites like spicy noodles or papaya salad. Venture just outside the city to the ancient capital of Ayutthaya and to the rivers and waterfalls of Kanchanaburi.

## SOUTHERN THAILAND

Venture south to the world class islands of southern Thailand where you will find white sand beaches on Koh Samui, full moon parties at Koh Pha Ngan, and diving among the coral reefs at Koh Tao. From the natural splendour of the Ang Thong Marine Park to the nightlife of Phuket, there is truly an island for everyone.

### LOYALTY REWARDS

3. All discounts must be presented at the time of booking and will apply to the basic tour price. Past traveller discounts will be applied once we receive confirmation (previous booking number) that you have previously travelled on an Insider Journeys Small Group Journey. Discounts are not combinable.

### PRE-TOUR REGISTRATION FORM

4. You are required to complete a pre-tour registration form before your booking is complete. Third Party Travel Providers may refuse supply if a completed pre-

tour registration form is not received. You will receive the pre-tour registration form from either us, the Supplier or your Travel Agent. This form requires you to provide your travel insurance information and no booking can be finalised without this preregistration form being completed.

### DEPOSIT & FULL PAYMENT

5. A non-refundable deposit of A\$200 per person and passenger names as per passport are required 5 days after issuance of an invoice. Additional deposits may be required depending on the policies of the Third-Party Travel Provider. Any additional deposits will be advised at the time of booking or on the invoice. Full payment is due and payable to us 65 days prior to the scheduled date of departure from Australia and will be notified to you in your confirmation of booking.
6. We are not responsible for any changes made by a Third-Party Travel Provider to the balance due date and prices are not guaranteed until payment has been made in full and documents have been processed and issued to you. Failure to pay a deposit within 5 days from the date of confirmation or in full by the due date may result in the automatic cancellation of your booking without refund of monies paid, unless you have been unable to complete the booking and pay the balance by the due date, due to our fault.
7. Bookings made within 35 days of scheduled departure require full payment on request.
8. Payment for domestic flights and regional flights in Asia must be received within 3 days of booking to avoid automatic cancellation by the airline. All bookings are subject to availability at time of booking.
9. Groups – a non-refundable deposit of A\$500 is due within 5 days of confirmation. Final payment is due 65 days prior to departure.

### CANCELLATION BY THE TRAVELLER

10. All cancellations must be received by us in writing. No refunds will be made for unused services. Cancellations will be subject to the following cancellation fees applied per person, per confirmed booking: • cancellations made more than 65 days before the scheduled date for departure from Australia - the deposit; • cancellations made between 50-65 days before the scheduled date for departure from Australia - a cancellation fee of 25% • cancellations made between 35-49 days before the scheduled date for departure from Australia - a cancellation fee of 50% • cancellations made within 35 days of the scheduled date of departure from Australia - a cancellation fee of 100%.

### CHANGES MADE BY US

11. Each year we review and further develop the Travel Products offered. On occasions, we may be required to make changes to certain Travel Products, where deemed necessary by us and the 'Departure Status Guaranteed' may not apply to the original itinerary or departure date in those circumstances. If we make a significant change, which is not due to an event beyond our control, you will be notified as soon as reasonably possible before your departure of any significant change and you will be offered the following options:
  - accept a substitute Travel Product (if available). In the event that the substitute Travel Product is of a lower price than you will receive a refund for the price difference between the original Travel Product and substitute Travel Product; or
  - accept a refund for all monies paid to us."Significant changes" are normally regarded as:
  - a change affecting the start date of your journey; or
  - a change in the arrival or departure city; or
  - a change in the duration of the itinerary If the significant change is due to force majeure or an event beyond our reasonable control, we will not be liable to offer you any compensation.

### HOTEL CONFIRMATION

12. Due to hotel availability in some destinations the accommodation stated in the tour itinerary may change to that of a similar standard. You will be notified in writing 30 days prior to departure.

### AMENDMENTS BY THE TRAVELLER

13. Once itineraries are confirmed with deposit on file and provided at the time of amendment the number of passengers on the booked tour is not full, one free amendment is allowed if made 65 days prior to scheduled date of departure. In all other cases, the following amendment fees shall apply:
  - 50-65 days prior to scheduled date of departure – A\$300 per person;

- 50 days or less prior to scheduled date of departure – standard cancellation fees (refer to section 10) will apply and full price will apply to new travel arrangements;
- If the traveller has utilised their free amendment and they wish to make an amendment more than 65 days prior to the scheduled date of departure and the number of passengers on the booked tour is full – A\$200 per booking.

14. We will not charge any amendment fees if:

- you amend your booking due to a breach by us of any of our obligations to you or due to our fault; or
- the Third-Party Travel Provider amends your booking for no fault on your part.

15. Notwithstanding clause 13, additional amendment fees may be charged by Third Party Travel Providers such as airlines, hotels or other tour operators in accordance with the terms you agree with the Third-Party Travel Providers (which are separate to our amendment fees). Many Third-Party Travel Providers deem a name change to constitute a cancellation, rather than an amendment and cancellation fees may apply in this instance in accordance with the terms you agree with the Third-Party Travel Provider.

### CANCELLATION & AMENDMENTS BY THIRD PARTY TRAVEL PROVIDER

16. If the Third Party Travel Provider changes any part of your booking for reasons beyond its control, for example, if a Third Party Travel Provider changes its schedules, overbooks, or if there are any changes in applicable surcharges, fees or taxes, we will use our reasonable endeavours to notify you. If any such changes result in your Travel Product costing more or otherwise being materially different, then you may cancel the Travel Product and we will refund any monies already paid less any fees charged by us under these terms and conditions and by the Third Party Travel Providers under the terms and conditions you agreed with them. Please check with your consultant before cancelling or amending a Travel Product in these circumstances as some Third-Party Travel Providers may charge cancellation fees up to 100% of the Travel Product's price as per their terms and conditions.

### TOUR GUIDE

17. An English-speaking Guide will accompany Small Group Journey tours in all destinations.

### MAXIMUM NUMBERS

18. Escorted Small Group Journeys have a maximum group size of 16 people in all destinations (except Japan which has a maximum group size of 12 people). Guaranteed departures will operate once they have two fully paid travellers booked. You are welcome to contact us for up-to-date passenger numbers prior to departure.

### SINGLE TRAVELLERS

19. Individuals travelling alone will be required to purchase the single person price for the tour as displayed in the brochure and confirmed by the Insider Journeys Operations team to you or your travel agent.

### SHARED ROOMS & FACILITIES

20. On all overnight train trips and homestays all travellers will be in shared compartments, even if a single supplement has been paid, due to cabin/room design. On overnight cruises the boats may have other passengers on board and shore excursions and other activities may include other passengers.

### FAMILIES & CHILDREN

21. Bookings are open to people 12 years of age and over. Travellers under 18 will need to either share a room with a parent or another family member or pay the single supplement. Children aged 12-17 (inclusive) must pay the adult price. Triple sharing is usually possible but must be requested at the time of booking. In cases where separate rooms are booked, we will request, but cannot guarantee, interconnecting or adjacent rooms.

### TRIPLE SHARE

22. It is not possible to guarantee triple share rooms. This is because many hotels either do not have triple-bed rooms or have fold-away beds only. Travellers can request a triple room at the time of booking, however, the booking will be confirmed as double/twin plus a fold away bed. During the journey, a triple share may be provided wherever possible, however there are no reductions in price for triple shares.

### MINIMUM FITNESS LEVELS

23. We may require a doctor's certificate prior to confirmation for any traveller with a pre-existing medical condition or

# TERMS AND CONDITIONS

traveller entering their 3rd trimester of pregnancy. Please carefully consider the Trip Grading for your tour of interest and choose a Small Group Journey appropriate for your level of health and fitness. You must be able to perform the activities outlined in the 'Statement of fitness' section of the 'Insider Journeys Health Form and Condition of Travel' and disclose any pre-existing conditions that may affect the normal conduct of the tour and/or enjoyment of other tour members. Final confirmation of a booking is subject to receipt of complete and accurate information about your fitness. If you are concerned about your ability to undertake a Small Group Journey, we can arrange a tailor-made itinerary for independent travel as an alternative.

## TOUR LEADER/LOCAL GUIDE AUTHORITY

24. When on the journey, travellers must abide by and comply with the authority and reasonable directions of the Tour Leader, or where applicable the local guide. At all times, the decision of the Tour Leader will be final on matters regarding group dynamics, and individual and group safety and well-being. If a Tour Leader takes the view that you are unable to meet 'Minimum fitness levels' the Tour Leader may, at his/her sole reasonable discretion, prevent you from further participation in the journey. Additionally, should you fail to comply with a reasonable decision or direction of the Tour Leader, interfere with the well-being of the group, fail to respect the rights or beliefs of your fellow travellers, or commit an illegal, obscene or otherwise inappropriate act while on journey, the Tour Leader may in his/her reasonable discretion prevent your further participation in the journey. In such instances, we will use our reasonable efforts to assist with onward travel arrangements for the relevant traveller. No refund will be given for any unused portion of the journey in these circumstances.

## TRAVEL INSURANCE

25. It is a condition of travel that all travellers are adequately covered by travel insurance prior to departure. Insurance should cover personal accident and medical expenses, evacuation and repatriation, baggage loss, and cancellation or curtailment of holiday. Your insurance details must be supplied to us at the time of booking. If you fail to provide the requested insurance information prior to travel as well as on arrival in Asia during registration, we reserve the right, acting in our sole discretion, to cancel bookings and apply charges as per our cancellation policy. In some cases, a pre-existing medical condition may not be covered by your travel insurance company.

## TRAVEL DOCUMENTS

26. Travel documents will be issued after final payment has been received. Travel documents may include special conditions including restrictions such as baggage size and weight limits. Travel documents are not transferable. All airline tickets must be issued in the name of the passport holder and some carriers will deny carriage if the name varies and the booking may be cancelled. We have no responsibility for any loss or damage arising from the incorrect entry of a passenger's name or as a result of the Third-Party Travel Provider's policies. It is your responsibility to collect all travel documents prior to travel.

## AIRFARES – CANCELLATIONS & AMENDMENTS

27. Prices displayed in this brochure or provided by us, do not include airfares from or to your departing destination, unless specified. All flight bookings are subject to the carrier's conditions of carriage. Cancellation and refund policies associated with airfares vary according to airfare terms and conditions and the relevant airline. It is your responsibility to understand the terms and conditions that relate to your airfare and contact the relevant airline if you require further information. It is your responsibility to contact the airline prior to departure to ensure there is no change to the scheduled departure time. Please ensure all flight details are correct prior to ticketing as we cannot assume responsibility for incorrectly issued flights. We do not offer advice on Frequent Flyer eligibility on flights nor able to assist with flight check-in or seat allocations.

## RIVER CRUISES – SHORE EXCURSIONS & WATER LEVELS

28. The nature of some shore excursions in Asia means that for some excursions there are no formal jetties. While staff are always on hand to assist, those with limited mobility may find these areas difficult to access. Due to the unpredictable nature of weather and its effect on river conditions and water levels, it may on occasions be necessary to complete some elements of the itinerary by land, rather than by boat, or to alter the route of the vessel including substituting some planned stops for others. Such changes can occur at

any time without prior notice or warning and no refunds will be given in this instance.

## OTHER CANCELLATION & AMENDMENTS

29. A Third-Party Travel Provider may cancel, reschedule or amend any itinerary in accordance with operating requirements or circumstances beyond its control. This includes alterations to cruise itineraries and schedules including change of embarkation and disembarkation points. We are not responsible for any other travel arrangement affected due to the Third-Party Travel Provider's cancellations or amendments. Amendments beyond the Third-Party Travel Provider's control may involve a surcharge for the additional or amended services.

## STAR RATINGS

30. Star ratings are our views and not official ratings.

## PUBLICITY

31. You agree that we may use images of you taken during the trip and any comments made in writing by you regarding the trip, without recourse to you and without compensation to you, for publicity and promotion purposes only through whatever medium we choose.

## ERRORS & OMISSIONS

32. We reserve the right to correct any errors in rates or content quoted or calculated for any package, with immediate effect. We will use our reasonable endeavours to notify you of such corrections.

## PRIVACY

33. You acknowledge and agree that we may disclose some or all of your personal information as outlined in our Privacy Policy. The terms of our Privacy Policy are incorporated into these terms. A copy of our Privacy Policy is available on [www.insiderjourneys.com.au](http://www.insiderjourneys.com.au).

34. This brochure and all matters arising out of or in connection with it and all terms are governed by the laws applicable in the State of New South Wales. By acquiring the Booking and Advisory Services from us, you consent and submit to the exclusive jurisdiction of the Courts of New South Wales.

## COMPLAINT HANDLING

In the unlikely event that you are unsatisfied with any aspect of your Travel Product, you must immediately notify the Third Party Travel Provider of your Travel Product or travel consultant (please refer to your pre-departure guide) to ensure we are given the opportunity to address and attempt to resolve any issue that you may raise at the time they occur. Please check with the respective Embassy or Consulate of each country that you are travelling to, as many destinations require visas for both Australians and non-Australian passport holders. For more information, log on to [www.visalink.com.au](http://www.visalink.com.au). You need to ensure that you have at least 6 months validity on your passport from the date of your departure return. In some instances, an e-ticket on the flights or fares selected may not be able to be issued. Bookings that cannot be issued as an e-ticket will have to be changed to comply with e-ticket regulations. All other travel documentation, such as hotel, car hire, transfer and tour vouchers will be emailed to you as an e-document. Should the Third-Party Travel Provider issue paper vouchers, these will be posted to you.

## SPECIAL NEEDS

Travellers with a physical or mental disability that may require special assistance during their trip must advise us of their needs upon booking and declare all pre-existing medical conditions. This enables us to ensure the suitability of each booking to the individual traveller.

## BEDDING CONFIGURATION

Requests for specific bedding types must be made at the time of booking, however, cannot be guaranteed. Note that double rooms can be fitted with either double or twin beds. Also note that single rooms are often smaller than other rooms. Triple rooms usually comprise a twin bed room with an additional sofa bed, roll-away bed or a foldaway bed for a third person.

## TRAVELLING WITH CHILDREN

Where a child stays for free in a room sharing with two paying adults, generally the hotel will expect the child to share the parent's bed and will not provide an extra bed. Additional charges may be levied for child meals. Where a child rate is provided in this brochure, an extra roll or foldaway bed is usually provided. Children are charged an adult rate if staying in a room without adults.
